

Protect Your **Belongings**

Home Inventory Services Include

Secure Digital Home Tour

We offer full inventory virtual tours of your home, property, and your valued possessions. Inventory tours are placed on two CD's and securely stored by you and your insurance agent.

True-to-Life Detailed Images

Digital still photographs are taken to supplement the 360 images in the virtual tour. Still images in our tours record your most valuable items in greater detail for your tour.

30 Scenes of Assurance

Our photographers will take you scene by scene inside and out of your home. We provide up to 30 scenes for a full property inventory!

Peace of Mind

Have peace of mind 365 days of the year. Our tours and secure servers allow you to easily recall all of your items and provide an audio-visual description to an insurance adjuster.

BlueLaVaMedia Home Inventory Tours offer peace of mind and a lifetime of protection!

When the time comes to make an insurance claim on your home, business or property, proper documentation can mean the difference between a full insurance claim and a major loss. With a true-to-life BlueLaVaMedia digital home inventory tour, your home and your belongings will be accurately documented to ensure full protection.

You will find that our services are an extremely affordable add-on to any insurance policy. Our home inventory services start out at \$199.00* and include up to 30 scenes of your choice. A digital audio narrative can also be recorded by you and added to your inventory tour. Your home can remain on our secure servers and on a CD.

Visit our website for additional home inventory services and pricing.
